

# May he who kept us through the hours of night

Alice Lucas (1851/2-1935)

Cécile Hartog (1857-1940)

1

1. May he who kept us through the hours of night Cause us to  
2. How could we else or hea - vy bur - den bear, Search - ings of  
3. For un - to all, how - ev - er bright - ly rise The sun, there  
4. May he who know - eth ev - ery hu - man need, And ev - ery

6

1. greet in peace the mor - ning light, While we im - plore his  
2. heart, and doubt and fear and care, If un - to him we  
3. comes the hour of al - tered skies, When to the hills they  
4. heart's de - sire, hear and heed, And through life's change - ful

11

1. mer - cy in - fi - nite To guard us through the day.  
2. raised not hands of prayer For guid - dance day by day?  
3. lift their long - ing eyes, And mark the wan - ing day.  
4. hours his child - ren lead Un - to the per - fect day.
